# Using the Visual Schedule Builder

You can use the Visual Schedule Builder!

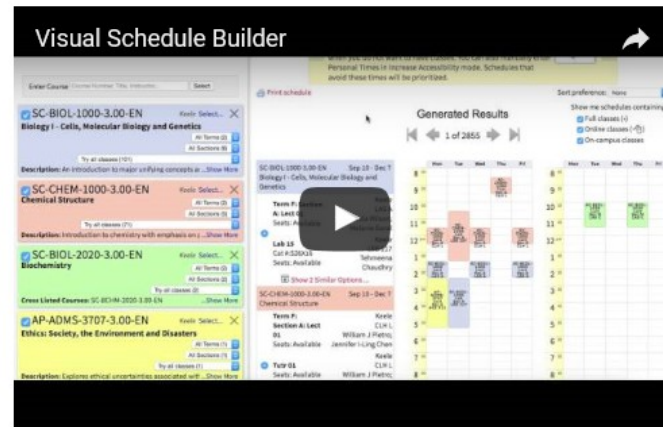

<http://registrar.yorku.ca/enrol/guide/vsb>

## Visual Schedule Builder

Visual Schedule Builder (VSB) is an online self-serve tool to assist you in planning your academic schedules. It allows you to graphically view schedule options, choose desired courses, and eventually create a timetable based on the courses and times that work best for you. The VSB arranges selected courses into conflict-free timetable options and displays them in an easy-to-read weekly schedule.

### PLEASE NOTE:

- The VSB does NOT register you in courses, but helps you create an optimal course schedule from which you can then enrol in courses through the **Registration and Enrolment Module (REM)**.
- The Visual Schedule Builder is NOT meant to replace academic advising or degree audit. It does not check your course prerequisites or financial or enrolment blocks.

Use your Passport York login to access the VSB.

Step-by-step instructions as well as tips and tricks on how to use the tool are listed in the tabs below.
