

Welcome to First Year
Enrolment & Planning at the
Department of Economics!
Summer 2020

Objectives

1. A **glossary** to explain some common terms
2. An overview of Degree Program **types** and **requirements**
3. How to **choose** your courses
4. How to **enrol** in your courses
5. How to **manage** your progress toward graduation
6. What happens **next**, between today and the beginning of classes

GLOSSARY

Glossary

Faculty:

A large academic division of the University that offers programs in related disciplines. For example, the *Faculty* of Liberal Arts & Professional Studies offers programs in subject areas such as humanities, social science, languages, and economics, as well as in a variety of professional disciplines.

Program:

A prescribed set of courses and accompanying requirements that lead to a degree (e.g. Bachelor of Arts - BA) upon completion.

Glossary

Major:

A primary concentration of courses taken in one subject area within a degree program.

Minor:

A secondary concentration of courses taken in one subject area within an Honours degree.

Prerequisite:

A prerequisite course must be completed successfully before you can enrol in your requested course or program.

Co-requisite:

A co-requisite course (if it hasn't successfully been completed yet) must be taken concurrently with the requested course.

Course Credit Exclusion:

These are pairs of courses which may not both be taken for degree credit since their content overlaps significantly.

Glossary

Credits:

Each course has a number of credits attached to it. Generally, this reflects the minimum number of in-class hours spent in the course each term:

- A **3.00** credit course meets at least **3 hours** per week for Fall OR Winter term.
- A **6.00** credit course meets at least **3 hours** per week for Year term.
- A **9.00** credit course meets at least **4 hours** per week for Year term.

Note: Summer terms and associated hours per week will vary. Please see the summer course timetable offerings for details.

Glossary

Academic Calendar:

The Calendar is the University's official reference document for all academic programs and requirements. You must follow the Calendar for the year you entered the program (As a new student, you will follow the [FW19-20 Calendar](#)).

Go to www.registrar.yorku.ca/program/glossary/ for a more complete glossary of terms.

Degree Types and Requirements

Degree Program Types

HONOURS Degree:

120 credits usually completed over 4 years of full-time study

Types of Honours Bachelor's Degrees:

1. Honours..... Single major
2. Specialized Honours..... 60 or more credits taken in single major
3. Honours Double Major... Equal amount of credits in 2 majors
4. Honours Major/Minor... Single major plus a single minor

BACHELOR Degree:

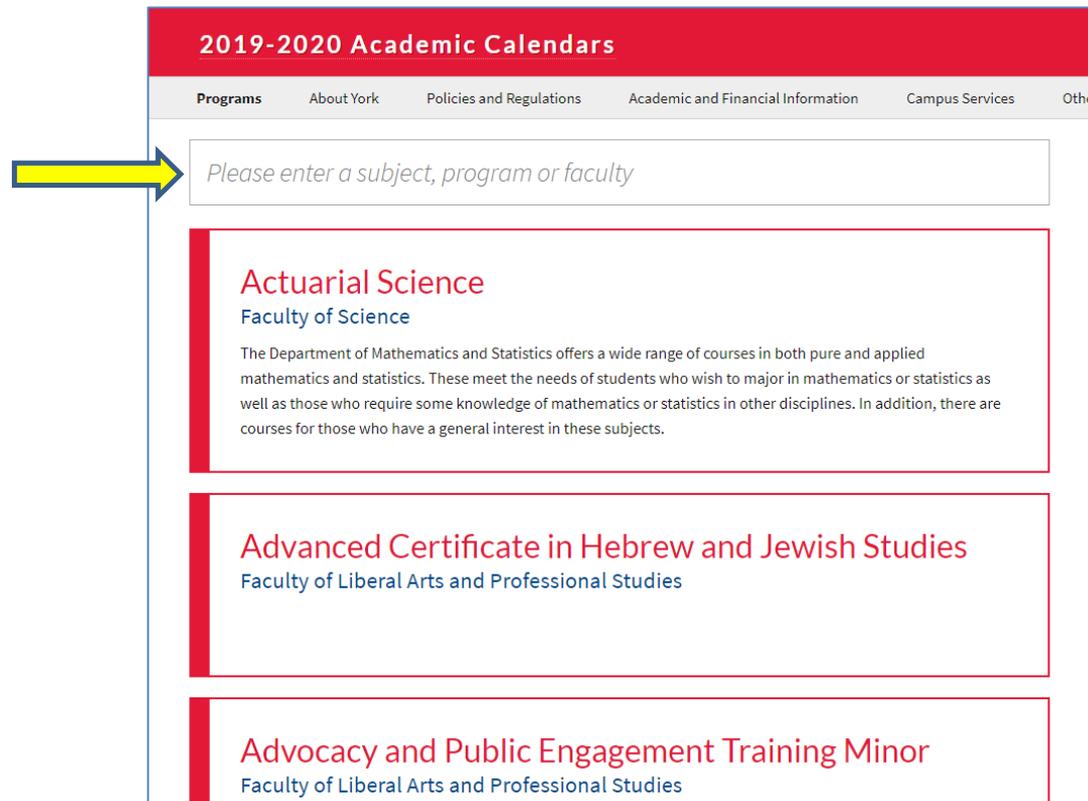

90 credits usually completed over 3 years of full-time study

Degree Requirements

- **Major** credits
- **General Education** credits
- **Outside the Major** credits
- **Free Choice** credits
- **Upper Level** credits
- Residency requirement
- Graduation requirement

Major subject requirements

- Each degree program requires a primary area of concentration or **Major**
- Each **Major** is comprised of mandatory credits. These credits can be found in the Academic Calendar: <http://calendars.students.yorku.ca/>

The screenshot displays the '2019-2020 Academic Calendars' website. A yellow arrow points to a search input field containing the placeholder text 'Please enter a subject, program or faculty'. Below the search field, three search results are listed:

- Actuarial Science**
Faculty of Science
The Department of Mathematics and Statistics offers a wide range of courses in both pure and applied mathematics and statistics. These meet the needs of students who wish to major in mathematics or statistics as well as those who require some knowledge of mathematics or statistics in other disciplines. In addition, there are courses for those who have a general interest in these subjects.
- Advanced Certificate in Hebrew and Jewish Studies**
Faculty of Liberal Arts and Professional Studies
- Advocacy and Public Engagement Training Minor**
Faculty of Liberal Arts and Professional Studies

General Education requirements

Credits Outside the Major & Free Choice

Credits Outside the Major:

- Credits Outside the Major are credits that are taken from another academic discipline.

Free Choice:

- Credits that can be taken within or outside the major

Upper Level requirements

Honours Bachelor of Arts (120 credits):

- At least 36 credits at the 3000 or 4000 level, including at least 18 credits at the 4000 level, of which 12 credits @ 4000 level must be in the major

Bachelor of Arts (90 credits):

- At least 18 credits at the 3000 or 4000 level, of which 12 credits must be in the major

1000 level = 1st year courses
2000 level = 2nd year courses
3000 level = 3rd year courses
4000 level = 4th year courses

Grade Point Average (GPA)

Honours BA (120 credits):

- Students are expected to maintain a minimum* grade point average of 5.0 (“C+”) throughout their 120-credit honours program.

BA (90 credits):

- Students are expected to maintain a minimum* grade point average of 4.0 (“C”) throughout their 90-credit bachelor program*.

AP/ECON 1530 3.00 Introductory Mathematical Economics I

New Student?
[All about Passport York](#)

Course Description:

This course presents and analyzes a sequence of basic ideas, topics and problems arising in Economics. For each idea/topic/problem relevant mathematical ideas and techniques are recalled and/or derived so as to provide a deeper understanding of the Economic issue and how it can be resolved, if necessary. The notion of Quantity Demanded is first addressed by expressing quantity demanded as a linear function of price where both the slope and intercept embed important Economics ideas. This sequence leads naturally to the notion of Revenue (the product of quantity demanded and price) where nonlinear functions are analyzed using mathematical techniques that include derivatives. This sequence culminates with notions of prices that maximize revenue subject to a given demand function. A large number of such topic sequences involving univariate functions are examined. **Prerequisite:** Grade 12U Advanced Functions or equivalent. **Prerequisites or corequisites:** AP/ECON 1000 3.00 or AP/ECON 1010 3.00, or equivalent. **Strongly recommended completion:** high-school calculus or equivalent. **Course credit exclusions:** SC/MATH 1013 3.00, SC/MATH 1300 3.00, SC/MATH 1505 6.00, SC/MATH 1513 6.00, SC/MATH 1530 3.00, SC/MATH 1550 6.00, GL/MATH 1930 3.00, GL/MODR 1930 3.00. **Note:** Acceptable course substitutes are available in the Calendar.

Visual Schedule Builder

Visual Schedule Builder (VSB) is an online self-serve tool to assist you in planning your academic schedules. It allows you to graphically view schedule options, choose desired courses, and eventually create a timetable based on the courses and times that work best for you. The VSB arranges selected courses into conflict-free timetable options and displays them in an easy-to-read weekly schedule.

PLEASE NOTE:

- The VSB does NOT register you in courses, but helps you create an optimal course schedule from which you can then enrol in courses through the **Registration and Enrolment Module (REM)**.
- The Visual Schedule Builder is NOT meant to replace academic advising or degree audit. It does not check your course prerequisites or financial or enrolment blocks.

Use your Passport York login to access the VSB.

Step-by-step instructions as well as tips and tricks on how to use the tool are listed in the tabs below.

***NOTE: The VSB does NOT enrol you in your courses; it is a planner.**

Transferring Sections in a Course

- If you are enrolled in one section of a course and wish to transfer to another section of the same course, **in the same term**, use the “transfer” tab in the enrolment module to avoid any fees.

The screenshot displays the 'Registration and Enrolment' interface. At the top, there are tabs for 'Select Academic Session' (set to 'Economics'), 'Course Timetable', and 'Session Summary for'. Below this, the 'Academic Program' is listed as 'Faculty of Liberal Arts and Professional Studies, B.A., Hons. Communication Studies'. A 'Student Number' field is also present. A 'Course Details' button is visible. A warning message states: 'You are responsible for ensuring you do not have any scheduling conflicts when enrolling in more than one course.' Below this, four action buttons are shown: 'Add a Course' (with a green plus icon), 'Drop a Course' (with a red minus icon), 'Transfer a Course' (with a blue arrow icon, circled in blue), and 'Exchange a Course' (with a green plus icon and a red minus icon). Each button has a brief description of its function.

Enrolling in courses

If a course is **reserved...**

The expression "Course Reserved" means that the seats have been set aside for a specific academic category of student.

If you are enrolling in courses which are appropriate to your year level, major and/or minor, you will have a better chance of meeting the restrictions.

Contact the Department that directly oversees the course to ask for permission to enrol.

*Example: A student interested in AP/**HUMA** 1780 6.00 would call the **HUMANITIES** Department*

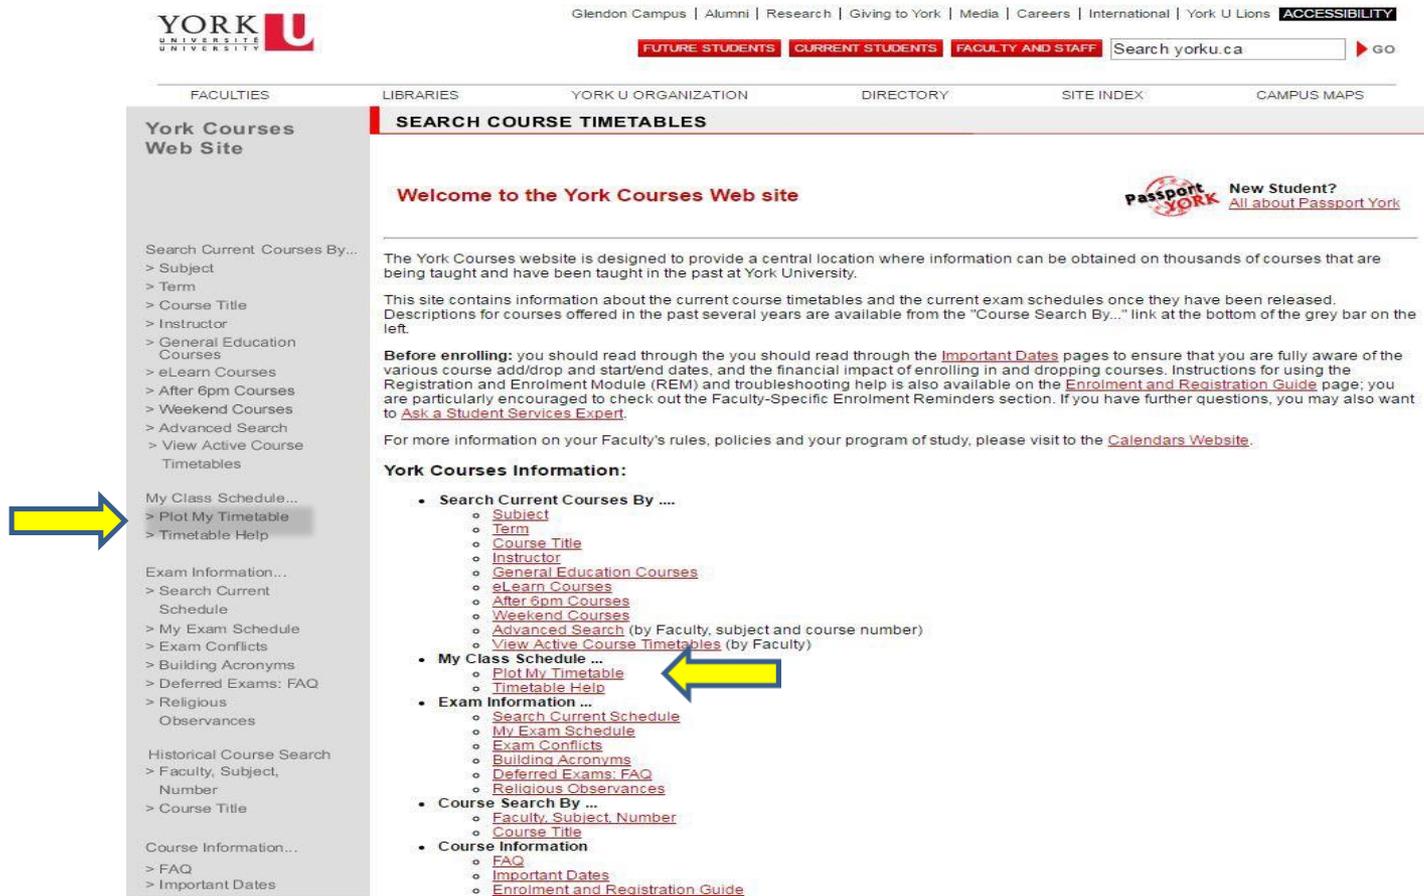

You should know:

1. Your student number
2. The Course Code
3. The Section Letter
4. The Tutorial Number (if applicable)

Note: Enrolment is based on course availability. You will be unable to enrol unless there is an available seat.

Plot your timetable

Once you have enrolled in all your courses, go to **Plot My Timetable** to make sure there are no conflicts.

The screenshot shows the York University website's navigation menu. A yellow arrow points to the 'Plot My Timetable' link in the 'My Class Schedule...' section. Another yellow arrow points to the 'Plot My Timetable' link in the 'My Class Schedule...' section of the main content area.

A photograph of the Marshall University building at dusk. The building is a large, circular structure with a prominent central entrance. The entrance is a tall, narrow glass door with a large window above it. The building's facade is made of light-colored brick with horizontal bands of darker brick. The sky is a deep blue, and the building's interior lights are glowing, creating a warm atmosphere. In the foreground, there is a paved plaza with a few people walking, their figures slightly blurred. A red rectangular box is overlaid on the right side of the image, containing the text "Managing Your Progress" in white.

Dropping or changing courses may cost money. Note that you can **exchange** a course you are in for a different course. Using the feature to exchange a course performs the course add and course drop for you in one step. If you are not able to get into the second course successfully, e.g. it is full, you will still remain enrolled in the first course. If you are successful, the first course will be dropped. Because a successful exchange performs a course drop, exchanging a course may have a financial impact. Please refer to the table above for the term in which you have enrolled to see what the financial impact will be.

<https://sfs.yorku.ca/refunds/tables>

Once the Refund Tables for the **summer session** are available, please review those corresponding to your program and term to see what penalties apply.

What Happens
Next?

Between now and when classes start...

A [Registration Deposit](#) of **\$300** must be paid by the 10th of the month following the date you began enrolling in courses.

For example, if you begin enrolling into courses in February, then your deposit is due on March 10th.

IF YOU BEGIN TO ENROL FOR SUMMER TERM COURSES:	...THEN YOU MUST PAY YOUR REGISTRATION DEPOSIT NO LATER THAN:
between March 1 and March 31	April 10
between April 1 and April 30	May 10
on or after May 1	10 days after you enrol in your first course

Please remember it takes 3 business days for the tuition charge to appear on your student account. Since the deposit is part of your tuition, it will not appear as a separate charge on your student account online statement.

It will also take 3 business days to process most payments to the University.

How & When to Pay

Tuition fees for Summer courses are due on May 10th.

Please visit the following link for information on *How & When to Pay*:
